welcomed the Little League fans from Marion, Rochester and Mattapoissett. Gratitude was expressed to the following organizations for their assistance in the construction of this field: the Mattapoissett Police Association, the Lions Club, the School Committee, the Mattapoissett Highway Department and the School Building Committee. Special commendation was awarded to Franklin A. Caswell and Carl Nelson for the effort they expended over the last two years in preparing the field for Sunday's ceremonies.

The teams comprising the Capeway League were introduced and as the players rimmed the infield the field was officially dedicated to the memory of Jay Lamborghini, a former Mattapoissett Little Leaguer who passed away last year after undergoing open heart surgery.

Mr. and Mrs. James Lamborghini participated in the dedication ceremonies and heard Mr. Du Pont stress that there are "no athletes in the Little League program,

## Pre-Town Meeting

### MIDDLE SCHOOL DISCUSSION

There will be informal pre-town meetings held in the three towns to discuss further regionalization and the construction of a middle school. The meeting will be held in Marion at the Town House on Wednesday, May 28th, at 7:30 P.M.; in Mattapoisett at Old Hammondtown School on Wednesday, May 28th, at 8:00 P.M.; and in Rochester at Memorial School on **THURSDAY**, June 5, at 7:30 P.M.

Dr. Joseph Kunces, superintendent of schools, has prepared a brochure which will be sent to voters in order to present the facts and projections. To build the middle

school, the 3 towns must vote to extend the region to include the 5th and 6th grades and approve the bond issue to pay for the building. The Old Rochester School Committee has called upon the Selectmen of the three town to hold a special town meeting to vote on these questions. Special town meetings have been set for Mattapoisett at Bristol auditorium at O. R. R. for Wednesday, June 11th, at 8:00 P.M.; for Rochester at Memorial School on Wednesday, June 11th, at 8:00 P.M. Marion has no date set at this moment. The date will be announced as soon as it can be arranged.

## MARBLE HARDWARE

Put Scott's famous TURF BUILDER PLUS 2 on your lawn this week end. For the first few days nothing much will seem to happen. Then one day you'll notice that the weeds have begun to shrivel. A few days later they'll disappear completely — roots and all.

In their place will be healthy green turf — the result of the fertilizing action of PLUS 2. It's a full-feeding too, equivalent to Scott's famous Turf Builder. Makes grass plants spread out and fill in those places where the weeds used to be.

The time to use PLUS 2 is right now, while weeds are actively growing. You put it on just like ordinary fertilizer. It's clean, lightweight, and easy to handle. So pick up your PLUS 2 this week

and go from the rich bank of the brain - that treasure house that holds all the accumulation of a lifetime. Memorial Day is that day when thousands of sparks are quickened by the breath of Spring. The very air, the color, the smell of new growing things act as a lens to intensify the senses and to bring forth these memories.

Those people who have touched, shaped and enriched our lives, those heroes, who have defended the life of our country, all of these dead known and unknown, loved and honored seem near. No other day of the year evokes this response. No other day bridges this gap between the living and the dead in this manner.

As we stand in our town squares and our cemeteries with the warm sun on our backs we each respond to different voices and feel the touch of love now stilled. Count-

### CARRIAGE HOUSE LANTERNS LIT

Some forty to fifty persons gathered on Sunday afternoon at 4:45 to witness the formal turning on of the newly installed Carriage House Lanterns of the Mattapoisett Historical Museum. These dignified glass and metal Lanterns showed their amber and violet tinting of the outer panes and the inner old fashioned lamp, as Miss Lydia LeB. Walker, chairman of the project, threw the switch for the displaying of this Memorial Tribute to the late Miss Minerva M. Sparrow, distinguished Mattapoisett citizen, whose field was education and whose devotion was to the arts.

The illumination of the wrought iron period fixtures was preceded by some significant remarks by Miss Walker whose duties for the Historical Society's Memorial Tribute to Miss Sparrow are now concluded. She attributed the success of the venture to two

main causes, the way that Mattapoisett responded (as well as Miss Sparrow's relatives from Connecticut and California), and to the expert artistry and craftsmanship evidenced in the lanterns themselves, as designed and constructed. Architecture has been described as "frozen music". She likened the Carriage Lanterns to frozen poetry.

Just before the throwing of the light switch, Miss Walker invited the grandniece and the great grandniece of Miss Sparrow to join her. They were Mrs. Peter V.C. Dingman and

daughter Gretchen of Middlebury, Connecticut, who had come especially for this event. The president of the Society, Mrs. Earl Masterson, stated that the lanterns would be lighted for each of the Memorial Day weekends. In conclusion, at the request of Mrs. Masterson, the Rev. Donald H. Finley offered a prayer.

Light refreshments were served in the carriage house where visitors also enjoyed the recent displays. Pourers were Mrs. Marland I. Bryant, Mrs. Harry Erhard, Mrs. David Todd and Miss Dorothy Fox. Mrs. Alicia Crabbe was in charge of the guest book. Mr. John Atkinson assisted in arranging for the event.

It's annual Pops Concert time at Old Rochester Regional High School. Under the over-all direction of Mr. Anthony Rego, students of the ORR Music Department have been diligently rehearsing many long hours in preparation for this ever popular event. An innovation this Spring is a switch from the Sunday afternoons of years past, to a Thursday evening. The date is this Thursday, May 22nd; the time: 7:30 P.M.; the place: Old Rochester Regional High School cafeteria; the program: as distinguished and delightful as always.

The pleasingly diversified evening's schedule features performances by the Junior High Chorus, the Junior High Band (this youthful group newly created this school year and directed by Mr. Jarvis Medeiros, is incredibly good), the Senior Chorus, Senior Band and O.R.R. Orchestra.

The music selected for the evening's enjoyment adheres to the traditional Pops Concert format of light, witty and popular numbers. In the relaxed and informal atmosphere of the high school's bright and modern cafeteria, this special program promises to be a refreshing and spirited diversion.

Admission to the concert is free, but those attending are advised to bring sufficient funds to purchase the delectable snacks to be offered for sale by FORAM. Mrs. Charles Dunn and Mrs. William Sylvia are co-chairmen of this year's Pops Refreshment Committee, with the sprightly corps of Band Major-ettes serving as waitresses.

Assisting concert director, Anthony Rego, are Jarvis Medeiros, Junior Band; Thelma Ostenfeld, director of choral groups; and George Fisher, pianist.

Lecturer Barber presented Albert J. Thomas who gave an interesting resume on the history of the Grange, telling of his findings pertaining to Mattapoissett Grange, when the Subordinate masters sent in their year's report. At that time they were put in the State Grange proceedings. He read the report of 72 years ago sent in by the first master of Mattapoissett Grange, Edwin Hammond. He spoke of there not being any generation gap in the Grange where there was a Junior group.

As a closing message, he gave a poem, "Fraternity of the Trees", as a nice explanation of brotherhood.

Closing the program, Walter Caswell played the "Flower Song" on the piano.

All honored guests spoke briefly. Granges represented were Acushnet, Rochester and Rutland.

Refreshments of cookies, sandwiches, coffee and punch were served by members of the Home and Community Service Committee.

## Why would anyone pay \$59.95 for a mower without an engine?

Lots of reasons. When you use the *Silent Scotts* you don't wake the whole neighborhood. There's no noise — not even the clickety-clack of metal-on-metal. It rolls as easily as a market basket, does a superb job of cutting. You dial cutting height as easily as tuning a radio. And you smell the grass instead of the gas!

When you're ready to join the quiet revolution come and see what all the whispering is about.

Mattapoissett Police Department volunteers work like a smoothly meshed machine as they erect a new police department addition

on the Mattapoissett Town Hall. On Saturday, the police laid sub floor, made and erected walls, made and installed the rafters and the roof of the structure to completely enclose the building. The annual Town Meeting voted funds for the materials and the Police are donating their skill and time in order to add some much needed space to their department.

## MAILBOX IMPROVEMENT WEEK

The Post Office Department has selected this week as MAILBOX IMPROVEMENT WEEK.

The purpose of this is to call to the attention of all Patrons of the rural service the need of providing mail boxes which are designed to protect mail from the weather, which are neat in appearance, conveniently located and are safe to use. All boxes must be of approved make and design.

Well grouped and neatly arranged boxes will contribute to the appearance of the countryside. Your name should be on the side from which the carrier approaches the box or on the door of boxes grouped together. The height of the box should be such as to allow the delivery of mail from the carrier's car.

An inspection of all boxes on the rural route will be made and patrons with boxes that do not meet the requirements of the Post Office will be notified and instructed to make corrections before mail can be delivered.

Full cooperation is needed by all patrons to make this week a success.
